

**List of referees having reviewed papers for *Control & Cybernetics* with respect to the issues of the publishing year 2023 (vol. 52)**

---

The list contains the names, in alphabetical order, of the persons having contributed to the reviewing process of the papers published in volume 52 (2023) of Control & Cybernetics, as well as those papers that have been withdrawn or rejected in the same period of time.

The Editors would like to thank in a particular manner all those referees, who have reviewed in this period more than one paper for our Journal. Some of them reviewed several papers, making a very significant contribution to our editorial work.

The Editors would like to thank in a particular manner all those referees, who have reviewed in this period more than one paper for our Journal.
