

List of referees having reviewed papers for *Control & Cybernetics* with respect to the issues of the publishing year 2018

The list contains the names, in alphabetical order, of the persons having contributed to the reviewing process of the papers published in volume 47 (2018) of *Control & Cybernetics*, as well as papers, which have been withdrawn or rejected in the same period of time.

The Editors would like to thank in a particular manner those referees, who have reviewed in this period more than one paper for our Journal.

The list is split into two parts – the first one contains the names of all the persons, who contributed to the refereeing process in association with the preparation of issues 1, 2 and 3 in the year 2018, while the second one – those, who were involved in the work on the special issue, i.e. the issue no. 4.
